

VOLUNTEER WORK SESSION SEED CLEANING

Join us at the Kent Land Trust office to learn how to clean and prepare the native wildflower seeds we collected last month for future propagation!

Guided by field botanist, Heather Liljengren of LocalLand Consulting. Learn how to save seeds from your property to use in future years.

Monday, November 18th
7:00 PM

Free and open to the public.
Registration is required to accommodate seating and supplies.
Space is limited.

*This activity is for ages 10 and up.

LESPEDEZA
CAPITATA

The seeds we are cleaning will be planted as part of our Climate Smart project to restore the meadow at East Kent Hamlet Nature Preserve. There will be a follow-up volunteer day in December to plant the seeds!

REGISTER HERE

KLT's Office is located at 170 Kent Road (Route 7)
The South Barn, up the stairs and the right hand door.

Participants should bring a large stainless steel bowl.
Gloves and mask will be provided.
